History

"I've owned Fairlight for many years and about 30 years ago when in Majorca the transom was replaced by a local repair yard. When Mylor opened up the transom and I saw the standard of work carried out in Majorca and was amazed that there had not been more problems earlier. Seeing how Mylor Shipwright's have repaired the transom, I am quite sure it will last for at least another 30 years and probably way beyond." George Hayes, Owner of Fairlight.
