History

Elghi II is the second of three Six Metres with this name, all of which belonged to M. R Meunier de Houssoy. She was originally registered in Cannes in the south of France.

In the 1970s *Elghi II* was sold to a new owner in Switzerland, where she took on the sail number Z102.

She subsequently ended up under unknown French ownership and in 2018 she was acquired by Ina and Ingo Steinhuisen. Ingo being the Yard Manager at Robbe & Berking where she underwent a full restoration to the highest standards.
